SCHOLARSHIP '09

AN OPPORTUNITY FOR EXCELLENCE

Each year CVGT offer two Australian Apprentice scholarships, our aim is to encourage and assist upcoming apprentices by financially supporting recipients with expenses incurred whilst undertaking an apprenticeship. Recipients will be given the opportunity to become an ambassador for CVGT and strive to become a leader in their chosen vocation by receiving additional trade training, various work placements with trade professionals and the prospect of working overseas.

Applications for these highly regarded scholarships open annually in September of each year.
