

AUSTRALIAN APPRENTICESHIPS CENTRE

WHAT IS YOUR STAFFING SITUATION?

Are you considering employing an apprentice, but need assistance/advice about Government financial incentives or Australian Apprenticeship vocational streams?

Does your business need an apprentice, but you have questions: How do I get started? How will training be delivered?

Do you recognise the need to train new and existing staff, but don't know where to start. Do you have a need to increase the productivity of your staff and at the same time provide industry-specific training?

AUSTRALIAN APPRENTICESHIPS SOLUTION

At CVGT our Australian Apprenticeship Consultants will provide you with a single point of contact for all of your support needs. They will personally visit your business and proactively assist you to manage the process of hiring your apprentice, while also providing advice on how to access government funding.

Our experienced Consultants can assist you to determine worker eligibility, what Commonwealth incentive payments are available and the most appropriate training packages on offer.

DID YOU KNOW?

CVGT provides Australian Apprenticeship Services under its AusNAC operations.

CVGT administers all Support Services for employers including advice on employer incentives and processing of Commonwealth payments to employers, apprentices and trainees, all free of charge.

Training existing workers now makes up a significant proportion of all traineeships and can contribute significantly to improving the success of your business. Employers can attract Commonwealth incentives for their existing staff to complete a National Certificate.

Australian Apprenticeships are available in over 700 specific nationally recognized certificates on a full-time or part-time basis, depending on industry.
