

JOB SERVICES AUSTRALIA

WHAT IS YOUR STAFFING SITUATION?

Are you unable to find suitable entry level or semi professional people for your business?

Do you lack the time and resources to advertise, screen and reference check applicants?

Do you have limited or no budget for staff recruitment?

Do you require job ready candidates to meet your immediate needs?

JOB SERVICES AUSTRALIA

CVGT is a provider under the Australian Governments Job Services Australia, we offer a range of services to employers that will assist in fulfilling your recruitment needs.

We achieve this by having dedicated and energetic staff who want to learn about and understand your business and provide you with the services that will allow you to make employment decisions that will enhance your business and ultimately your community.

DID YOU KNOW?

Job Services Australia is a free service.

We develop plans to secure adequate training that will assist in placing well prepared candidates.

We accept vacancies on your behalf and lodge on Australia's largest employment website.

We manage those vacancies and provide you with regular feedback on prospective applicants.

CVGT provides ongoing support after placing staff with your business.
