

## Career On Track

CVGT are now servicing a new program "Career On Track" young people can register either online or with a paper form.

If you are under 19, haven't finished Year 12 or a Certificate II, and are not in education, training or full time employment, you can access Career On Track. This new service offers them free 1 to 1 careers counseling to help them make important decisions about their education and training options now and into the future.

Career On Track offers you up to 6 hours of free one-on-one career counselling provided by a qualified careers counsellor.
