

BENDIGO BANK GOES SCHOOL BASED TRAINEESHIPS APPLICATION

Bendigo Bank is offering Australian School Based Traineeships in Financial Services to young people in the Sydney CBD, Leichardt, St Ives and Willoughby North region.

The banking sector is one of many financial sectors that are experiencing difficulty finding not only quality employees, but specifically youth into their workforce.

Bendigo Bank has formed a partnership with CVGT Apprenticeship Centre and the NSW DET and developed a School Based Traineeship (SBT) program called "Bendigo Bank Goes SBT!" to begin providing school based entry into the finance and banking industry.

This unique and innovative program not only aims to provide students in year 11 and 12 in 2012 with hands on experience in the banking and finance industry; but also to provide them with a Certificate III in Financial Services which can contribute to ATAR and also the possibility of ongoing employment with Bendigo Bank.

To apply interested young people will need to complete the school application form which you can obtain from your careers advisor. Once you have spoken with your careers advisor and wish to proceed with your application you will then need to apply on-line to CVGT Apprenticeship Centre – your Careers advisor will be able to show you where to access this on-line application.

Applications will close on 31st October 2011 after which all applicants will be contacted, with short listed applicants invited to a briefing session on (date to be advised) which will include a Literacy and Numeracy test. Students will then be contacted individually and invited to an interview.

After this process is completed each student will be notified of the outcome. Successful applicants will work one day per week at one of the participating Bendigo Bank branch offices
