

Work for the Dole Supervisor app

**Developed by the
Department of
Employment for
the Work for the
Dole program.**

The app will allow approved Work for the Dole activity supervisors to:

- directly submit job seeker attendance records electronically
- know which job seekers are linked to an activity and when they are scheduled to attend

Approved Work for the Dole activity supervisors will be issued a login by jobactive providers, and will be required to agree to the terms and conditions to access and use the app.
