

# JobSeeker JobSearch app

**Enjoy the benefits of the Australian JobSearch website on the go using the Job Seeker JobSearch App.**

Job Seeker is Australia's largest free mobile app assisting job seekers into employment. The app will help you to find job vacancies in your area or search for a job via location, post code or a key work. You can also find employment service providers using the Job Seeker JobSearch App.

If you're registered with Australian JobSearch or Department of Human Services, you can also:

- Access your personal Dashboard
- Apply online with your resume and cover letter
- Receive job alerts and employer notifications
- View and synchronise appointments
- Accept and view your EPP
- View your job search effort
- Contact your provider
- Share your story to inspire others
