As a Disability Employment Services (DES) provider, CVGT will develop an individually tailored program to strengthen employment outcomes for you.

Together, we will increase your work-readiness skills, build on your strengths and interests and link you with potential employers.

Once you have a job, we will stay in touch and support you and your new employer, this is called post placement support (PPS). PPS ensures that should any problem arise, it can be resolved quickly to ensure continuity of employment.

This means that you have the best chance of finding the right job and staying employed.

At CVGT, we get people jobs!

We do this by helping you with:

- career planning
- work experience
- pre-employment training
- job applications
- job interview advice and assistance
- tailored marketing to employers
- on-the-job support (if needed)
- workplace modifications (if needed)
