

## Our broad suite of programs include:

### Disability Employment Services

Assisting job seekers with disability to gain and maintain paid employment in the open market or through self-employment. We guide job seekers toward their preferred career through ongoing support and training to ensure they have the appropriate skills to enter the workplace. We understand our employers staffing and business needs and work collaboratively to deliver the right person every time.

### jobactive

A free and reliable recruitment service tailored to suit the needs of our employers and job seekers. We pride ourselves on having work ready candidates, so our expert staff makes sure our job seekers have the right skills and strengths. We understand our employers staffing and business needs and work collaboratively to deliver the right person every time.

### Group Training

A risk free, flexible alternative to employing an apprentice or trainee. Through Group Training we employ the apprentice or trainee but they are then hosted out to employers who are committed to teaching them the skills required to complete their qualification. We look after all the paperwork and let the host focus on their business.

### ParentsNext

Helps parents with young children to move into work once their children are at school. We support parents to identify their education and employment goals, develop a pathway to achieve them and link them to activities and services in the local community.

### Transition to Work

Initiative to support young people aged 15-21 on their journey to employment through practical support and work experience to build skills, confidence and readiness for work.

### Second Chance

Specifically designed to provide an alternative employment program for job seekers before the court. Our staff work closely with legal representatives, employers and community support services to identify job and education opportunities and prepare candidates for these roles.
