

# Transition to Work for employers

Building a brighter future, one appointment at a time.

## Transition to Work is a service to support young people aged 15-21 on their journey to employment.

The service has a **strong focus on practical support** and **work experience** to **build your skills, confidence and readiness for work.**

### Looking for staff?

Employing a young person through Transition to Work may be solution you've been looking for.

CVGTs Transition to work program has been specially designed to connect young people with employers looking for junior staff or apprentices and trainees.

By offering one of our participants a job, you will get an employee who wants to work, and lay the foundations for a brighter future.

### How we help

As your local Transition to Work provider, we will help you to recruit young employees who meet your business needs. Whether an employment opportunity or work experience, we are committed to delivering staff that turn up on time, are appropriately dressed, use their initiative and improve the productivity of your business.

With CVGT as your partner, our involvement doesn't end once

your new employee starts work. We will stay in touch to make sure they're settling in, and to answer any questions you may have – this is called post placement support. Generally tailored support is offered for the first six months of employment.

### Wage subsidies

A wage subsidy is a financial incentive of up to \$10,000 to encourage businesses to hire and train eligible job seekers.

Your local CVGT Transition to Work team can show you how wage subsidies can work for your business.

### Our locations

CVGT is your local Transition to Work provider in the following locations:-

- Shepparton
- Seymour
- Echuca
- Cobram.

### How you can help

Next time you have a vacancy, please consider a young person and the benefits they can bring to your business.

Our services are provided at no cost to you.
